A Message from our Chair...

HAPPY 4TH OF JULY!

As we prepare to celebrate the 248th birthday of the United States of America, our wonderful country this July 4th, I am excited to inform you all that our Riverfest is set to be the best we have ever had. Our Chamber staff has been working diligently along with the City of Milton to ensure our celebration is worthy of our country's anniversary. My thanks to Jim Ponek, Nicole Frenk, and Jaime Cottrell, as well as all our city officials who have made this possible! We also need to recognize the sponsors that have contributed. The major sponsors include the City of Milton, the Santa Rosa County Board of County Commissioners, McKenzie Motor Company, Sandy Sansing Milton Chevrolet / Dodge Christler Jeep, and Santa Rosa Medical Center. There are many other sponsors that will be recognized at the festival, and we greatly appreciate you all. I am proud to live in a country where we have such freedom and opportunity. I hope to see you all at Riverfest!

On another important note, our website is back up and running after being hacked some time back. I would emphasize that no member information was compromised. Please visit the site and see for yourself that it is better than ever: www.SRCChamber.com. Our membership continues to grow thanks to our wonderful Chamber Ambassadors and the continued growth of Santa Rosa County. It truly is a great place to live, visit and do business!

We recently had a Hail & Farewell celebration in the McKenzie Room to say farewell to Commanding Officer Captain Paul N. Flores "Party Boy". We have enjoyed working with Captain Flores since 2021 and we all wish him the utmost success in his future endeavors. Thank You, Captain Flores!

Welcome Captain Theodore "Ted" Elkins "Thumbs", incoming Commanding Officer NAS Whiting Field. We look forward to working with you as we continue to recognize the accomplishments and personnel of NAS Whiting Field. Our Chamber as well as our community are committed to ensure our military personnel enjoy their stay in Santa Rosa County and know

the welcome our entire community extends to all our Navy, Marine, Coast Guard, Army and Airforce officers and enlisted men and women. Hail Captain Elkins!

Farewell to Colonel Anthony Krockel, Commodore, Training Airwing FIVE, NAS Whiting, and Hail to Captain Kenneth Kerr. Our best wishes to Colonel Krockel and a warm Santa Rosa welcome to Captain Kerr.

Please make plans to attend our networking events for the month of July. Our friends at The Cutting Board will be hosting our A.M. Network breakfast on July 31st and we will be recognizing the Sailor-of-the-Quarter along with the Navy League Santa Rosa Council. The Networking Lunch will be hosted by Ace's Hanger on July 12th. Please note that there will not be a Business After Hours in Jul due to the Riverfest festival.

Once again, I would like to welcome all new members to the Chamber and encourage you to send a representative to the Member Orientation on July 16th in the McKenzie Room. It is very important to attend as this seminar informs you of all the benefits and opportunities of membership. This is also an excellent program for existing members to refresh their familiarity with the advantages of Chamber membership.

My thanks to our dedicated Board of Directors and staff! We are in the midst of making exciting plans for the future of our organization, utilizing our beautiful Chamber office to its full potential, as well as some possible new events to enhance the quality of life in Santa Rosa County.

It just came to me that I am halfway through my tenure as Chairman. I would like to say that it has been an honor to have been chosen by the Executive Committee as well as the Board of Directors to serve in this position. I look forward to serving the rest of the year and will do my best to transition my position to Mike Johnson, our incoming Chair.

Leadership Santa Rosa Class 37 Business & Industry Day

Leadership Santa Rosa Class 37 had a great day visiting businesses and hearing from industry leaders throughout our region for Business & Industry Day. They started the day at the Andrew's Education and Research Institute where they heard from SRC Commissioner Colten Wright, SRC Economic Development Director Shannon Ogletree, and Florida's Great Northwest Business Intelligence and Marketing Manager Shane Chadwick. After learning about our county and regional economic development efforts, the class toured the facility including the EXOS training facility, regenerative medicine lab, and cadaver lab where our future surgeons and researchers work on developing new surgical techniques.

The class then ventured down to St. Michael's Brewing Company in Navarre where they learned about the microbrewing industry in the State of Florida, small

business processes, and about the resources available to entrepreneurs through the Small Business Development Center while enjoying lunch provided by Sandpaper Marketing.

After lunch, the class headed up to the Santa Rosa Industrial Park where they toured Builders First Source and Paradigm Parachute and Defense's machining operation. They ended the day with a tour of ST Engineering in Pensacola and learned about their expansion and the partnership they have with Pensacola State College to house a school at their facility to address workforce development challenges in our region.

WITHOUT A CHAMBER...

Many people still don't know....

The Santa Rosa County Chamber of Commerce & Tourist Information Center is not a government agency, we are not funded by the County, the City, your tax dollars or any source other than by local businesses, non-profits and individuals that join and two annual fundraisers, The Leadership Awards Luncheon and Team Bruce Baker, MBA - RE/MAX Infinity Golf Classic. We thank the currently 670 members that support our Chamber, your businesses and your community. Consider joining if you are not already a member and please remember to support those businesses and organizations that are a member and make it possible to keep your Chamber active in our community.

Without A Chamber.....

-there would be no office to respond to the inquiries about your community and its opportunities.
-there would be no information gathering center with which to inform the business community and advise it of current events affecting them.
-there would be no collective force to make known the physical needs of the community such as improved roads, utilities, facilities, safety and the like.
-there would be no forum wherein the business community can exchange views and positions, and no voice to express those to other agencies.
-there would be no focal point for social gathering of the business community wherein an exchange of ideas and services may take place.
-there would be no political voice to keep our elected representatives aware of the community feelings on legislative action and needs.

Your Chamber is a rallying point, and an instrument for the promotion of plans, ideas and projects in your community.

YOU – our members keep our doors open and our offices staffed.

THANK YOU for supporting your business community and your Chamber of Commerce.

We Invite You To Join Us!
