# **“What has the Chamber done for me?”**

**Being involved with the Chamber of Commerce has been an incredibly valuable experience for me, both professionally and personally. Through the Chamber, I’ve built meaningful relationships with local business leaders, gained greater insight into our community’s needs, and found opportunities to grow, collaborate, and serve. The Chamber has provided support, resources, and connections that have strengthened my confidence as a professional and deepened my commitment to supporting local businesses. Most importantly, it has given me a sense of belonging to a network that truly works together to make our community stronger.**

## **Did you know?**

**YOUR Chamber is not government funded. We are a member-supported organization, powered by local businesses investing in our community, which is why we have fundraising events that support us! That keeps us going and being able to do what we do to grow and thrive in the community. We APPRECIATE every one that has joined and supported us!**
